Over 5,000 employees	\$ _____	\$ _____	\$ _____	\$ _____

Session means an instance a particular service is provided to an eligible user. Session limits apply separately to each presenting issue and reset annually. Work-life consultations can occur one time per year per service category per presenting issue and do not apply against the session count. Financial and legal consultations can occur one time per year per presenting issue.

Optional services

The below services are available to all clients electing standard EAP services for the documented pricing below. These services can also be purchased on a standalone basis. Please select the boxes below to purchase as standalone EAP services only.
